Casanova di Neri

BRUNELLO DI MONTALCINO D.O.C.
2018 CERRETALTO

98pts.

The deep garnet-colored 2018 Brunello Di Montalcino Cerretalto is ripe and boasts a sunnier feel, with aromas of baked cherries as well as a dark mineral profile of graphite, toasted peppercorn, and dried lavender. Fleshy and full-bodied, it offers a plush tannin structure, with wonderful depth and richness through its long-lasting finish, and it retains good freshness. This would be a wonderful counterpart for lovers of great Bordeaux. It remains fresh and tinged with classic notes of blood orange and salinity. It's going to be an outstanding wine to cellar and drink over the coming decades. Bravo.
